## Participating Organisations

To complete this section you will need your organisation's identification number (OID).

If you have an OID number please introduce it in this section.

If you are not sure if you have OID number, you can check here: [Organisation Registration System](#)

If you do not have OID number, you can create one here: [Register New Organisation](#)

Whenever an OID has reached the limit agreed of appearances in drafts and submitted forms, a notification by email will be sent to the Authorized person of that OID. We can include in the email a list of projects where that OID is encoded providing all the information necessary for him to act if he needs to: Form ID, Name of the applicant organization, National agency. If we don't have the NA and the applicant organisation filled in the form **we don't count this form** to the value which triggers the email notification.

According to the Programme Guide, each organisation (OID) can apply only once as applicant organisation and can be included in a total of 10 Small-scale partnerships in the fields of vocational education and training, school education, adult education and youth per application round. The maximum number includes all applications in the listed fields, regardless of whether the organisation is a coordinator or a partner. Once this limit is reached, it will not be possible to submit further applications with the same organisation (OID).

In the following sections, you are asked to provide details about each project activity.

You are asked to provide information about each planned activity as a whole (e.g. its venue, duration, etc.), to define the activity's lead organisation, and optionally to list the other participating organisations. The estimated activity start and end dates can be changed during implementation.

Please include in the section below all planned activities and indicate the grant amount allocated to each one. Keep in mind that the total amount should be equal to the Project lump sum requested.
